- Hickson - **3** COP's
- Oxbow - **14** COP's

Notes: With the average temperature's increasing over the past month, Cass County wants citizens to be aware of vehicles possibly damaging roadways. Dirt / gravel roads take a toll this time a year with people going "mudding". The townships are responsible for repairing these damaged roads and deputies are responsible for notifying these townships when these incidents occur. Everyone is human and people often get stuck on roads that are muddy and are not necessarily intending to cause damage to the roadway, so please be reasonable when notifying law enforcement. Red River Valley Regional Dispatch Center Non-Emergency Number: 701-451-7660.
